Areas Available  
**Melbourne**

InXpress are the global shipping specialists. We provide a best in class, easy to use software platform to help small to medium businesses easily book their domestic and international shipments online whilst providing them with local support. As an innovator in the freight industry and global partner of leading carriers such as DHL, Fedex, Startrack, and UPS, InXpress continues to grow its Australian footprint.

With 460+ franchises globally, operating in 14 countries and growing, InXpress is looking for motivated individuals with a passion for business and sales to join our thriving network, with low investment and minimal risk.

A global leader with over 23 years of success, InXpress provides a proven model to work off. You'll benefit from an extensive training program, automated, user-friendly system, and established carrier partnerships, all fully supported...
