

Robots That Sell Themselves — You Close the Deal

Autonomous Cleaning Robot Distributorship - Exclusive Territory (Ballarat, Victoria) (Ref: Ballarat-Distributor-Victoria-FB) **Ballarat Central**

Lead the Robotics Revolution in Commercial Cleaning
Join the award-winning FloorBotics network. We are expanding our established Australian distribution footprint and offering a unique, ground-floor distributorship opportunity in Ballarat, Central Highlands, West Victoria.

This is an exceptional chance for an ambitious, business-minded individual or company with B2B development experience to capitalise on a rapidly growing market. You will represent a premium range of autonomous floor cleaning robots within a protected, exclusive territory.

The Opportunity: Build a Business, Not Just a Sales Role
This is a comprehensive, "business-in-a-box" distributorship designed for low startup costs and minimal overhead. You will be responsible for developing your territory, cultivating strong B2B relationships, and driving recurring equipment sales and service c...
