

36290 Profitable Eco-Friendly Cleaning Business - Loyal Client Base

Coopers Plains

Acquire ownership of a trusted, eco-conscious cleaning business that delivers consistent work, loyal clients, and a lifestyle-friendly operating model! Built on chemical-free products and sustainable practices, this well-established operation appeals strongly to today's environmentally aware households and businesses.

Servicing Brisbane's southern region and surrounding areas, the business has grown organically through word-of-mouth referrals and repeat clients. Its excellent reputation is the result of reliable service, attention to detail, and genuine care for client wellbeing. Streamlined systems and long-term customer relationships are already in place, allowing a new owner to step in and generate income from day one.

This opportunity is ideally suited to an owner-operator seeking flexibility and independence, or an existing cleaning business looking to ...
