

Own a Profitable Wellness Business Changing Lives Drysdale

Positioned in one of Victoria's fastest-growing lifestyle regions on the Bellarine Peninsula, this established wellness hub delivers proven six-figure turnover with strong margins and zero staffing complexity.

Operating from a modern 343m facility in Drysdale, the business integrates personal training, naturopathy, nutrition, recovery therapies, and retail into one high-retention model. Clients engage across multiple services, driving recurring income and consistent performance.

Ideal for a solo operator, couple, or health professional seeking immediate income without franchise constraints.

The Key Features

- Six-figure annual turnover.
- Strong profit margins.
- Recurring revenue model.

- High client retention
