

## Tough Floors Epoxy Flooring Franchise - We Are Recruiting Franchisees in Gold Coast - Proven Established Model - High Growth Potential - Full Training **Southport Park**

Set yourself up in an industry that has had large growth, yet still relatively unknown in Australia...epoxy flooring. Tough Floors was established in 2011 in Brisbane (where Head Office is now located). We started by working within the business to fine tune all areas. We made mistakes. We corrected them. We now have a solid system to train Franchisees to learn & apply & make money.

Typical applications are garage floors, paths, patios, sheds & internal floors. There are larger areas such as warehouses, animal facilities, retail, aged care, government & child care. Then there is metallic, of which takes significant learning before undertaken. We help you grow incrementally.

The flooring sector in Australia is a \$5bn slice of the Construction sector & growing at 4.7% per annum (source IBIS World) & epoxy is disrupting traditional flooring such as carpet, vinyl, ti...
